

## **TakeCare commits \$10,000 to fix-up Tamuning Gym**

Monday morning TakeCare Insurance donated \$10,000 to the Tamuning Gym to help the village's effort in promoting wellness and health activities at their facilities. TakeCare senior vice-president Gus Sablan said, "Today we realized how important it is to have a very good facility to have those activities, we don't have that opportunity.

Monday morning TakeCare Insurance donated \$10,000 to the Tamuning Gym to help the village's effort in promoting wellness and health activities at their facilities. TakeCare senior vice-president Gus Sablan said, "Today we realized how important it is to have a very good facility to have those activities, we don't have that opportunity.

"It's been since 1992 that this facility has had these upgrades and it's about time we put something in to not only promote those activities but to have a facility for them to play these events."

Tamuning vice-mayor Louise Rivera says the donation will help in refurbishing the gym's floor to be completed by Thanksgiving.
