In re a Direct Payer Agreement between Guam Memorial Hospital Authority and
TakeCare Insurance Co., Inc.

Dear Mr. Husslein,

On or about 01 October 2005 the Guam Memorial Hospital and TakeCare Insurance, Co., Inc. (the Parties) entered into a Direct Payer Agreement defining aspects of the financial relationship between the Parties and designed to assure timely payments for services rendered to patients treated by the Guam Memorial Hospital.

Paragraph 7.3 of that agreement, entitled Termination without Cause, reads “[e]ither GMHA or PAYER may terminate this Agreement with sixty (60) days written notice to the other party”. Accordingly, and pursuant to this section, you are noticed that the Guam Memorial Hospital Authority terminates said agreement effective 20 March 2012.

Please be aware that also effective 20 March 2012, the Guam Memorial Hospital Authority will no longer recognize insurance coverage by TakeCare Insurance Co., Inc. for persons presenting themselves for treatment at any of our facilities. Those individuals will, from the referenced date, be regarded as self paying. Thank you very much for your attention in this matter.

Sincerely,

Rey M. Vega
Administrator (Interim)
