 Medicare Healthcare Provider*

PARTICIPATING PROVIDERS

The true measure of any health care organization is the quality of the care you receive. And at the heart of this is your relationship with your participating provider. Your participating provider is essential in providing your day to day health care needs as well as providing the avenue for health care alternatives such as specialty care. That's why, at TakeCare, you have the freedom to make the most important health care decision of all-the choice of your participating provider. This provider directory serves as a helpful tool to select a participating provider.

HOW TO SELECT A PARTICIPATING PROVIDER

Choose a Participating Provider (Medical Group or Individual Physician) from this directory. You and your enrolled dependents may choose a different Participating Provider. You may switch Participating Providers as often as needed by simply calling **TakeCare Customer Service at (671) 647-3526 or toll free at 1-(877)-484-2411 and (680) 488-4715 in Palau**. Your new selection will be effective immediately. Services received through providers not listed in this Provider Directory may be covered at a lesser coverage level. Please refer to your Schedule of Benefits for specific Out-of-Network Benefits.

HELPFUL INFORMATION

Who is a Participating Provider?

A Participating Provider is any individual practice association, individual physician, pharmacy, hospital or group of licensed providers who have entered in to a written agreement with TakeCare to provide medical or dental services to you and your enrolled dependents.

What is a Primary Care Provider and a Specialty Care Provider and how many of each do you have in your network of providers?

A Primary Care Provider is responsible for providing or authorizing your medical care services. A Primary Care Provider may be physicians of Internal Medicine, Pediatrics, Family Practice or General Practice. A Specialty Care Provider is a duly licensed physician, osteopath, psychologist or other practitioner that your Primary Care Provider may refer you to. TakeCare has the largest on-island contracted provider network with over 100 Primary Care and Specialty Care Providers.

When am I able to access a Specialty Care Provider?

When you or your Primary Care Provider feel you need more specialized treatment, you may request a referral to seek a specialist for an office consultation. However, before any treatment begins, you may need to have prior authorization from TakeCare's Medical Management Department. Once the request is reviewed and approved, treatment can commence.

WHO TO CALL FOR HELP

If you have any questions, please feel free to call the Take Care Customer Service Department, Monday-Friday, 8am-5pm in Guam (671) 647-3526 or 24/7, toll free 1-(877) 484-2411 or Palau (680) 488-4715.

★Is a participating or directly contracted provider that has entered into a written agreement with TakeCare to provide care or treatment at preferential or better rates compared to other contracted or participating providers and have demonstrated better outcomes based on standard set by the National Committee for Quality Assurance ("NCQA"). The participating providers which are identified herein as preferred providers are subject to change. Please check with TakeCare to confirm the preferential status of contracted/participating providers.

Attention TakeCare Members

Please review the important information below.

Off-island Student Dependents

Insurance coverage and medical care of dependent child(ren) going to school off island is important. To assure that care and coverage is available when needed, please provide the following information to TakeCare:

- Completed TakeCare Off Island Student Verification Form
- Copy of the dependent child(ren)'s birth certificate if applicable
- Full-time student verification documentation from an accredited grade school, high school, college or vocational institute of higher learning every term to ensure continuous coverage.

This information must be provided to TakeCare within 30 days of your dependent child(ren)'s coverage effective date or open enrollment, or within 30 days of a qualifying event (i.e., moving off-island, changing address). **Call TakeCare 24/7 at 671-647-3526 or toll-free, 877-484-2411**

Emergency/Urgent Care Services Notification

In the event of an emergency or urgent care services, seek immediate medical attention and **make sure you or someone else notifies TakeCare within forty-eight (48) hours** or as soon as reasonably possible after initial receipt of services to inform us of the location, duration and nature of the services provided. Call TakeCare 24/7 at 671-647-3526 or toll-free, 877-484-2411. **Not informing TakeCare within the time specified may result in your claim not being covered.**

Emergency Definition

TakeCare defines a medical emergency as the sudden and unexpected onset of a condition or injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Examples include heart attacks, strokes, poisonings or inability to breathe. **The use of emergency room services for conditions not considered emergencies are not covered.**

Out of Network Emergency Services Benefit

For groups that are new or renewing on or after 10/1/19, bona fide emergency room services received through a non-directly contracted provider will be covered under your plan's out-of-network emergency room care benefit. TakeCare's payment will be based on eligible billed charges less any applicable member share and any charges for non-covered services. This assumes all plan requirements are met **including notification as detailed above.**

In these situations, you will be responsible for your plan's out-of-network emergency room care co-insurance or copayment amount, plus any charges not covered by your plan.

For more information about this or your other TakeCare benefits, call 24/7 at 671-647-3526 or toll-free, 877-484-2411.
